

The finest compliment is a referral from you!

We hope that your experience at Liberty Savings Bank has been an enjoyable one. If you have enjoyed your banking experience with us, share it with a family member or a friend. And if they open an account with us, we will award you and the person you refer 3,500 UChoose® Rewards points each! With those points, you can get a \$25.00 gift card.

Simply provide your family member or friend with the detached form below after you have completed your information. They bring in the form when they open their account and you each receive your reward! It's that simple.

If you have any questions about UChoose Rewards or your debit card, please contact us at 800.436.6300.

I have made a referral to Liberty Savings Bank. Please credit my UChoose Rewards account along with my friend's account 3,500 points each at new account opening.
