### July 2025 Update

This disclosure describes your ability to withdraw funds at Liberty Savings Bank, F.S.B. It applies to the availability of funds in all of your accounts. Our general policy is to allow you to withdraw funds deposited in an account on the first business day after the day of deposit.

For purposes of this disclosure, the terms "you" or "your" mean client and the terms "our", "we", or "us" mean Liberty Savings Bank, F.S.B.

**YOUR ABILITY TO WITHDRAW FUNDS.** Our policy is to make funds from your cash and check deposits available to you by the first business day after the day we receive your deposit. Electronic direct deposits will be available on the day that we receive the deposit. Once they are available, you can withdraw the funds in cash, and we will use the funds to pay checks that you have written. For determining the availability of your deposits, every day is a business day, except Saturdays, Sundays, and federal holidays. If you make a deposit before the close of business on a business day that we are open, we will consider that day to be the day of your deposit. However, if you make a deposit after the close of business or on a day that we are not open, we will consider the deposit made on the next business day we are open.

**DEPOSITS AT OTHER LOCATIONS.** This availability policy only applies to funds deposited at Liberty Savings Bank, F.S.B.. Please inquire for information about the availability of funds deposited at other locations.

**DETERMINING THE AVAILABILITY OF YOUR DEPOSIT.** The length of the delay is counted in business days from the day of your deposit. Every day is a business day except Saturdays, Sundays, and federal holidays.

The length of the delay varies depending on the type of deposit and is explained below.

**LONGER DELAYS MAY APPLY.** In some cases, we will not make all of the funds that you deposit by check available to you by the first business day after we receive your deposit. Depending on the type of check that you deposit, funds may not be available until the second business day after the day of your deposit. The first \$275.00 of your deposits, however, may be available by the first business day after the day of deposit. If we are not going to make all of the funds from your deposit available by the first business day, we will notify you at the time you make your deposit. We will also tell you when the funds will be available. If your deposit is not made directly to one of our employees, or if we decide to take this action after you have left the premises, we will send you the notice by the day after we receive your deposit. If you will need the funds from a deposit right away, you should ask us when the funds will be available.

In addition, funds you deposit by check may be delayed for a longer period under the following circumstances:

- (a) if we believe a check you deposit will not be paid;
- (b) if you deposit checks totaling more than \$6,725.00 on any one day;
- (c) if you redeposit a check that has been returned unpaid;
- (d) if you have overdrawn your account repeatedly in the last six months; or
- (e) if an emergency condition arises that would not enable us to make the funds available to you, such as the failure of computer or communications equipment.

We will notify you if we delay your ability to withdraw funds for any of these reasons, and we will tell you when the funds will be available. They will generally be available no later than the seventh business day after the day of your deposit.

**HOLDS ON OTHER FUNDS FOR CHECK CASHING.** If we cash a check for you that is drawn on another financial institution, we may withhold the availability of a corresponding amount of funds that are already in your account. Those funds will be available at the time funds from the check we cashed would have been available if you had deposited it.

**HOLDS ON OTHER FUNDS IN ANOTHER ACCOUNT.** If we accept for deposit a check that is drawn on another financial institution, we may make funds from the deposit available for withdrawal immediately but delay your availability to withdraw a corresponding amount of funds that you have on deposit in another account with us. The funds in the other account would then not be available for withdrawal until the time periods that are described elsewhere in this disclosure for the type of check that you deposited.

**SPECIAL RULES FOR NEW ACCOUNTS.** If you are a new client, the following special rules may apply during the first 30 days your account is open.

Funds from electronic direct deposits to your account will be available on the day we receive the deposit. Funds from deposits of cash, wire transfers, and the first \$6,725.00 of a day's total deposits of U.S. Treasury checks, U.S. Postal Service money orders, cashier's, certified, teller's, traveler's, and federal, state and local government checks will be available by the first business day after the day of deposit if the deposit meets certain conditions. For example, the checks must be payable to you. The excess over \$6,725.00 will be available by the ninth business day after the day of your deposit. If your deposit of these checks (other than a U.S. Treasury check) is not made in person to one of our employees, the first \$6,725.00 will not be available until the second business day after the day of deposit. The first \$6,725.00 from checks drawn on Liberty Savings Bank, F.S.B. will be available by second business day after the day of deposit and the first \$6,725.00 from all other check deposits will be available by the second business day after the day of deposit if the checks are payable to you. The excess over \$6,725.00 will be available on the ninth business day after the day of deposit.

**DEPOSITS AT PROPRIETARY AUTOMATED TELLER MACHINES (ATMs).** We only allow deposits to be made at ATMs that we own or operate. All ATMs that we own or operate are identified as our machines.
